

2009 CSSA Player Registration Policy

5/19/2009

Please see the CSSA Handbook for an overview and a privacy statement (see link below).

To meet national (USASA) deadlines and to ensure player insurance coverage is in force, the following policy will be adhered to this spring, 2009:

Entire league player registration data and accompanying payments will be due to CSSA twice a year for most leagues, once in spring, and once in the autumn. To meet this requirement, each member league will be handled on a case-by-case basis, as needed. Summer leagues, e.g., need only submit data once. The CSSA Executive Board will work with you and be somewhat flexible to meet this need.

All data must be sent via e-mail only using the required form to CSSA President Dan Rooney, CSSA Secretary-Registrar George Moeser, and CSSA Treasurer Steve Henderson, using the form from 2008 that is posted on the CSSA website (see link below).

Payments must be mailed to Steve Henderson (see link below). Nothing should be mailed to Alastair Bell, CJSA, or FSA. Make checks payable to "CSSA, Inc." Only one check per league will be accepted, unless there is an extraordinary reason.

Spring 2009 data is due to CSSA 30 days after a league season starts. This will allow CSSA to review and reconcile the data, and meet national deadlines.

If you have issues or questions, contact CSSA President Dan Rooney.
